Data Protection – Membership Data Collection Consent

The Data Protection Act 1998 (“the Act”) sets out certain requirements for the protection of your personal information (i.e. information about you) against unauthorised use or disclosure. The Act also gives you certain rights.

References below to British Swimming include a reference to the three members of British Swimming, the *asa*, the Scottish Swimming Association (SASA) and the Welsh Swimming Association (WASA). By virtue of your membership direct or indirect to the *asa*, SASA and WASA you agree to your personal data being made available to British Swimming and its members, subject always to compliance with the Data Protection legislation. This does not include sensitive personal data such as health or medical conditions, which require the explicit consent of the data subject i.e. a signature for this specific purpose.

Except to the extent that Wellington (Telford) ASC or British Swimming is required or permitted by law, (the information you provide in this form, and any other information obtained or provided during the course of your membership (“the information”)) will be used solely for the purposes of processing your application and dealing with you as a member.

If you cease to be a member of Wellington (Telford) ASC, the information will not be held for longer than is necessary, after which time it will be destroyed.

You agree to use all reasonable endeavours to keep Wellington ASC and British Swimming informed of any changes to your personal data.

So that we may use the information for the above purpose and on the above terms, we are required under the Act to obtain your consent. Members are therefore requested to sign the consent clause on the membership form thus confirming to their Club Membership Officer that they agree to the above by providing their data for electronic submission to the *ASA*, SASA or WASA.
