As a club, we would like our swimmers to enter competitions and open meets to represent the club, gain achievements and official PB's (personal bests) for themselves. This is a great way to see and track your swimming progress at all levels and hopefully gain medals and trophies on the way. Above is a table of competitions and open meets the club will target this season. It is expected that our senior/squad swimmers enter the majority of these events. Remember the more you enter these competitions, the easier it becomes for you and your team.
